

## 2012-13 Verification Worksheet

### Family Information

What is verification and why was I selected?

Verification is the process by which certain required information on the FAFSA is reviewed for accuracy and completeness.

Students are selected for verification for one of the following reasons:

- The Central Processing System found inconsistencies and/or potential errors in the student's FAFSA
- Random selection
- School selection

Complete both sections of this worksheet, sign it, and send the completed worksheet to the financial aid office at your school.

The financial aid office will notify you if there is additional documentation needed or any other questions to be answered. After verification is complete, you will be notified about the amount of financial aid you are eligible to receive.

**The financial aid office cannot process your financial aid package until verification has been completed, so it is imperative that you provide the required documents as soon as possible.**
